People must put new mud on the building every year. If they don't, it will collapse when it rains. There are always enough people to do this because the people who help get respect for their work.

## Your last weekend

I had a fantastic weekend! It was my friend Dalia's birthday. Her family took us to some exciting places. In the morning, we went to the funfair. I rode on the big wheel. It was fantastic. In the afternoon, we visited a museum. We saw very old statues. I remembered all the things that our teacher taught us in history! In the evening, we spent a nice time at her house. We gave her presents. We ate cakes and I came back home very late!

Subject: An adventure story

Dear Ahmed,

How are you and your family?

Yesterday I read an adventure story by Daniel Defoe. It is called "Robinson Crusoe." It was about a sailor. One day his ship sank because there was a really terrible storm. Crusoe swam to a nearby island. He arrived on the island and walked along the beach. There were no other people there. He found a dead fish and ate it but it was not nice. Although he was hungry, he didn't want to eat another dead fish! He looked for a cave to sleep. It's a very exciting story.

Best wishes

Yours,  
Omar

## A trip to an island

Last week, my family and I decided to go on a trip to an island. We left home early in the morning. The weather was so nice. We took a boat at about 8.0 am. It took us about an hour to get to the island. There were many

other people there. We put up our tents and had breakfast. We had cheese and bread for breakfast. We found fantastic shells on the beach of the island. We went fishing and caught really big fish. We walked on the beach and had lunch at about 4 pm. We went home at about 7 pm. We were really happy.

Subject: A fantastic day

Dear Sally,

It is nice to write to you. Last Friday was a fantastic day. I went to my best friend's house in the morning. We played football in the park. I don't usually like football, but all his brothers wanted to play. It was fun! In the afternoon, I went home. I did my homework. Mum helped me with it. Then dad and I went to the sports centre. It was great because there was a really big swimming pool. I had a lot of fun. After that, I went back home and had a nice meal with my family. I like my family very much. I hope to hear from you soon.

Yours,  
Nour
